

Delia's Gone — Johnny Cash

(outside page, glue reference sheet to me)

Delia, oh Delia, Delia all my life

If I hadn't-a shot poor Delia, I'd have had her for my wife

Delia's gone, one more round, Delia's gone

I went up to Memphis, and I met Delia there

Found her in her parlor, and I tied her to her chair

Delia's gone, one more round, Delia's gone

She was low-down and travelin', and she was cold and mean
Kind of evil make me want to grab my sub-machine
Delia's gone, one more round, Delia's gone

First time I shot her, I shot her in the side
Hard to watch her suffer, but with the second shot she died
Delia's gone, one more round, Delia's gone

But jailer, oh jailer, jailer I can't sleep
'Cuz all around my bedside I hear the patter of Delia's feet
Delia's gone, one more round, Delia's gone

So if your woman's devilish, you can let her run
Or you can bring her down and do her like Delia got done
Delia's gone, one more round, Delia's gone

Delia's gone, one more round, Delia's gone

American Pie – Don McLean

G D Em7
 A long, long time ago,
 Am C Em D
 I can still remember how that music used to make me smile
 G D Em7
 And I know if I had my chance,
 Am C Em C D
 That I could make those people dance and maybe they'd be happy for a while
 Em Am Em Am
 But February made me shiver, with every paper I'd deliver
 C G Am C D
 Bad news on the doorstep, I couldn't take one more step
 G D Em Am7 D
 I can't remember if I cried when I read about his widowed bride
 G D Em
 Something touched me deep inside
 C D7 G C G
 The day the music died

CHORUS:

G C G D
 So bye, bye Miss American Pie
 G C G D
 Drove my Chevy to the levy but the levy was dry
 G C G D
 And them good old boys were drinkin' whiskey and rye
 Em A7 Em D7
 Singin' this will be the day that I die, this will be the day that I die

G Am
 Did you write the book of love
 C Am Em D
 And do you have faith in god above, if the bible tells you so?
 G D Em
 Do you believe in rock and roll
 Am7 C Em A7 D
 Can music save your mortal soul and can you teach me how to dance real slow?
 Em D Em D
 Well I know that you're in love with him 'cuz I saw you dancin' in the gym
 C G A7 C D7
 You both kicked off your shoes, man I dig those rhythm and blues
 G D Em Am C
 I was a lonely teenage broncin' buck with a pink carnation and a pickup truck
 G D Em C D7 G C G
 But I knew I was out of luck the day the music died, I started singin'

CHORUS

G Am
 Now for ten years we've been on our own,
 C Am Em D
 and moss grows fat on a rolling stone but that's not how it used to be
 G D Em
 When the jester sang for the king and queen
 Am7 C Em A7 D
 in a coat he borrowed from James Dean in a voice that came from you and me

G D Em C
 So go do what you like
 G D Em C
 Make sure you do it wise
 G D
 You may find out that your self-doubt
 Em C
 means nothing was ever there
 G D
 You can't go forcing something
 Em C
 if it's just not right

Chorus

Chorus

When I come around (3x)
 G, D, Em, C

When I Come Around – Green Day

Verse 1:

G D Em C
 I heard you crying loud
 G D Em C
 all the way across town
 G D
 You've been searching for that someone
 Em C
 and it's me out on the prowl
 G D Em C
 As you sit around feeling sorry for yourself
 G D Em C
 Well Don't get lonely now
 G D Em C
 And Dry your whining eyes
 G D
 I'm just roaming for the moment
 Em C
 Sleazin' my back yard so don't get
 G D Em C
 so uptight you been thinking about ditching me

Chorus:

Am C
 No time to search the world around.
 Am C
 Cause you know where I'll be found
 When I come around
 G, D, Em, C
 G, D, Em, C

Verse 2:

G D Em C
 I heard it all before
 G D Em C
 So don't knock down my door
 G D Em C
 I'm a loser and a user so I don't need no accuser
 G D Em C
 to try and slag me down because I know you're right

Em D Em D
 And while the king was looking down, the jester stole his thorny crown
 C G A7 C D7
 The courtroom was adjourned, no verdict was returned
 G D Em Am C
 And while Lenon read a book on Marx, the quartet practiced in the park
 G D Em C D7 G C G
 And we sang dirges in the dark the day the music died, we were singin'

CHORUS

Helter skelter in a summer swelter
 the birds flew off with a fallout shelter, eight miles high and fallin' fast
 It landed foul on the grass
 the players tried for a forward pass, with the jester on the sidelines in a cast
 Now at halftime there was sweet perfume, while sergeants played a marching tune
 We all got up to dance, but we never got the chance
 'Cuz the players tried to take the field, the marching band refused to yield
 Do you recall what was revealed the day the music died, we started singin'

CHORUS

And there we were all in one place,
 a generation lost in space, with no time left to start again
 So come on Jack be nimble, Jack be quick,
 Jack Flash sat on a candle stick, 'cuz fire is the devil's only friend
 And as I watched him on the stage, my hands were clenched in fists of rage
 No angel born in Hell could break that Satan's spell
 And as the flames climbed high into the night to light the sacrificial rite
 I saw Satan laughing with delight the day the music died, he was singin'

CHORUS

G D Em
 I met a girl who sang the blues
 Am C Em D
 And I asked her for some happy news, but she just smiled and turned away
 G D Em
 I went down to the sacred store
 Am C Em C
 Where I'd heard the music years before, but the man there said the music
 D
 wouldn't play
 Em Am Em Am
 But in the streets the children screamed, the lovers cried and the poets
 dreamed
 C G Am C D
 But not a word was spoken, the church bells all were broken
 G D Em Am7 C D7
 And the three men I admire most, the Father, Son, and the Holy Ghost
 G D Em Am7 D7 G
 They caught the last train for the coast the day the music died,
 D7
 And they were singin'

FINAL CHORUS:

So bye, bye Miss American Pie
 Drove my Chevy to the levy but the levy was dry
 And them good old boys were drinkin' whiskey and rye
 C D7 G C G
 Singin' this will be the day that I die.

Cecilia – Simon and Garfunkel

Celia, you re breaking my heart
 You're shaking my confidence daily
 Oh, Cecilia, I'm down on my knees
 I'm begging you please to come home

Celia, you're breaking my heart
 You're shaking my confidence daily
 Oh, Cecilia, I'm down on my knees
 I'm begging you please to come home

Come on home

Making love in the afternoon with Cecilia
 Up in my bedroom (making love)
 I got up to wash my face
 When I come back to bed
 Someone's taken my place

and if you're at a party on the starship enterprise
 and the karaoke player just plain old up and dies
 set up an neutrino field inside a can of peas
 hold on to Geordi's visor and sing into data's knee

Chorus

Verse 3:

Sisko's on a mission to go no bloody place
 he loiters on the space station above Bajoran space
 the wormhole opened up and now they come from near and far
 we'll keep the booze but please send back the fucking Jem-
 hadar

What is with the Klingons, remember in the day
 they looked like Puerto Ricans and they dressed in gold lamé
 now they look like heavy metal rockers from the dead
 with leather pants and frizzy hair and lobsters on their heads

Chorus

Verse 4:

I was stuck on Voyager and pounding on the door
 when suddenly it dawned on me I've seen this show before
 perhaps I'm in a warp bubble and slightly out of phase
 It was way back in the sixties when they called it Lost in
 Space

we were looking for a way to
 make the ratings soar
 so we orchestrated an encounter with the Borg
 normally you'd think that would get us into shit
 But this one has a smashing ass and a lovely set of tits

Chorus (End):

and I say
 Bounce a graviton particle beam off the main deflector dish
 That's the way we do things lad We make shit up as we wish
 the Klingons and the Romulans pose no threat to us
 cuz if we find we're in a bind we're totally screwed but
 nevermind
 we'll pull something out of our behind...
 we'll just make some shit up

I still see her face
As beautiful as day
It's easy to remember
Remember my love that way
All I hear is that lonesome sound
The Hounds of Winter
They follow me down

A season for joy
A season for sorrow
Where she's gone
I will surely, surely follow
She brightened my day
She warmed the coldest night
The Hounds of Winter
They got me in their sights

I still see her face
As beautiful as day

Desperado – Johnny Cash

Desperado, why don't you come to your senses?
 You been out ridin' fences for so long now
 Oh, you're a hard one, but I know that you've got your
 reasons,
 These things that are pleasin' you can hurt you somehow
 Don't you draw the queen of diamonds boy,
 She'll beat you if she's able,
 Know the queen of hearts is always your best bet
 Now it seems to me some fine things have been laid upon
 your table
 But you only want the things that you can't get

Desperado, oh you ain't gettin' no younger,
 Your pain and your hunger, they're drivin' you home
 And freedom, oh freedom, well, that's just some people
 talkin'
 Your prison is walkin' through this world all alone

And I'm laying out my winter clothes and wishing I was gone
 Going home, where the New York City winters aren't
 Bleeding me, Leading me, going home.

In the clearing stands a boxer and a fighter by his trade
 And he carries the reminders of every glove that laid him down
 Or cut him till he cried out in his anger and his shame
 "I am leaving, I am leaving" but the fighter still remains.

Verse 2:

There`s an insect in your ear
 If you scratch it won`t disappear
 It`s gonna itch and burn and sting
 Do you want to see what the scratching brings
 Waves that leave me out of reach
 Breaking on your back like a beach
 Will we ever live in peace?
 `Cause those that can`t do often have to
 Those that can`t do often have to preach

Chorus:

To the ones staring at the sun
 Afraid of what you`d find
 If you took a look inside
 Not just deaf and dumb Staring at the sun
 I`m not the only one
 Who`s happy to go blind

Verse 3:

Intransigence is all around
 Military still in town
 Armour plated suits and ties
 Daddy just won`t say goodbye
 Referee won`t blow the whistle
 God is good but will he listen
 I`m nearly great
 But there`s something I`m missing
 I left in the duty free
 Though you never really belonged to me

Chorus:

You`re not the only one
 Starin` at the sun
 Afraid of what you`d find
 If you stepped back inside
 I`m not sucking my thumb
 I`m staring at the sun
 Not the only one
 Who`s happy to go blind

Homeward Bound – Simon and Garfunkel

I'm sitting in the railway station.
 Got a ticket for my destination, mmmmm
 On a tour of one-night stands my suitcase and guitar in hand.
 And ev'ry stop is neatly planned for a poet and one-man band.

 Homeward bound, wish I was,
 Homeward bound,
 Home where my thought's escaping
 Home where my music's playing,
 Home where my love lays waiting
 Silently for me.

 Ev'ry day's an endless stream
 Of cigarettes and magazines, mmmmm
 And each town looks the same to me, the movies and the factories
 And ev'ry stranger's face I see reminds me that I long to be,

Homeward bound, wish I was,
 Homeward bound,
 Home where my thought's escaping
 Home where my music's playing,

And no one dare
 Disturb the sound of silence.
 Fools said ah, you do not know
 Silence like a cancer grows.
 Hear my words that I might teach you,
 Take my arms that I might reach you.
 But my words like silent raindrops fell,
 And echoed
 In the wells of silence

 And the people bowed and prayed
 To the neon God they made.
 And the sign flashed out it's warning,
 In the words that it was forming.
 And the sign said, the words of the prophets
 Are written on the subway walls
 And tenement halls.
 And whisper'd in the sounds of silence.
 /
 Picking, here to here

And in the naked light I saw
Ten thousand people, maybe more.
People talking without speaking,
People hearing without listening,
People writing songs that voices never share

Homeward bound, wish I was,
Homeward bound,
Home where my thought's escaping
Home where my music's playing,
Home where my love lays waiting
Silently for me.
Silently for me.
