# Far From Any Road

The Handsome Family

Intro: Am

Am E  
From the dusty mesa

Dm Am  
Her looming shadow grows

Am E  
Hidden in the branches

Dm Am  
of the poison creosote

C  
She twines her spines up slowly

G  
Towards the boiling sun

Dm  
And when I touched her skin

F Am  
My fingers ran with blood

Am E  
In the hushing dusk

Dm Am  
Under a swollen silver moon

Am E  
I came walking with the wind

Dm Am  
To watch the cactus bloom

C  
And strange hunger halted me,

G  
The looming shadows danced

Dm  
I fell down to the thorny brush

F Am  
And felt a trembling hand

Am E  
When the last light warms the rocks

Dm Am  
And the rattlesnakes unfold

Am E  
Mountain cats will come

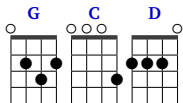

Dm Am  
to drag away your bones

C  
And rise with me forever

G  
Across the silent sand

Dm  
And the stars will be your eyes

F Am  
And the wind will be my hands

Intro: G Gmaj7 Em C6 D D7

Hold me close and hold me fast. The ma - gic spell you cast, this is la vie en ro - se

When you kiss me hea - ven sighs, and though I close my eyes, I see la vie en ro - se

When you press me to your heart, I'm in a world a - part, a world where ro - ses bloom

And when you speak, an - gels sing from a - bove;

E - very day words seem to turn in - to love songs

Give your heart and soul to me, and life will al - ways be la vie en rose

Wait 'til you're announced  
 We've not yet lost all our graces  
 The hounds will stay in chains  
 Look upon your greatness  
 That you'll send  
 The call I'll send

**C** Call all the ladies out  
 They're in their finally  
**Am** A hundreds jewels on throats  
**G** A hundred jewels between teeth  
**C** Now bring my boys in  
 Their skin in craters like the moon  
**Am** The moon we love like a **G** brother,  
 while he glows through the room  
**C** Dancin' around the lies we tell  
 Dancin' around big eyes as well  
**Am** Even the comatose **G** they don't  
 dance and tell

**F** We live in cities **Am** you'll never see  
 on screen  
**G** Not very pretty, but we sure **Em**  
 know how to **Am** run free  
**F** Living in ruins of the palace **Am**  
 within my **G** dreams  
 And you know, we're on each  
 other's **F** team

I'm kind of over getting told to throw **Am**  
 my **G** hands up in the air, so there  
 So all the cups got broke shards  
 beneath our feet but it wasn't  
 my fault  
 And everyone's competing for a love  
 they won't receive  
 'Cause what this palace wants is  
 release

**F** We live in cities **Am** you'll never see  
on screen

**G** Not very pretty, but we sure **Em**  
know how to **Am** run free

**F** Living in ruins of the palace **Am**  
within my dreams **G**

And you know, we're on each  
other's team **F**

**F** I'm kind of **Am** over getting told to  
throw my hands up in the air **G**

So there

**F** I'm kinda older than I was when **Am**  
I rebelled without a care **G**

So there

**F** We live in cities **Am** you'll never see  
on screen

**G** Not very pretty, but we sure **Em**
