Aluminum – Barenaked Ladies

Intro Chords: D^{FC} , A^{CG} , E^{GD} x4

E^{GD} D^{FC} A^{CG} E^{GD}
 How, in every visible way you shine,
 D^{FC} A^{CG} E^{GD}
 as if the stars in your wake align
 D^{FC} A^{CG} E^{GD}
 Almost impossible to malign
 E^{GD} D^{FC} A^{CG} E^{GD}
 But just below where you shine you burn,
 D^{FC} A^{CG} E^{GD}
 although I know it, I never learn
 D^{FC} A^{CG} E^{GD}
 Just goes to show that I can't discern

CHORUS:

D^{FC} A^{CG} E^{GD} D^{FC} A^{CG} E^{GD}
 Aluminum to me, aluminium to some.
 D^{FC} A^{CG} E^{GD}
 You can shine like silver all you want
 D^{FC} A^{CG} E^{GD}
 But you're just Aluminum
 E^{GD} D^{FC} A^{CG} E^{GD}
 Illuminating just what you want to show,
 D^{FC} A^{CG} E^{GD}
 You'd never rust but I'd never know
 D^{FC} A^{CG} E^{GD}
 You can't be trusted, I can't let go
 D^{FC} A^{CG} E^{GD} D^{FC} A^{CG} E^{GD}
 Aluminum to me, aluminium to some.
 D^{FC} A^{CG} E^{GD}
 You can shine like silver all you want

But you're just Aluminum

Every time you're here I forget,

When you leave, you leave only regret,

Every time you're here, I forget -very-thing

You're so lightweight, how can you survive?

Recycling moments from others' lives

You're not as precious as you contrive

Aluminum to me, aluminium to some.

You can shine like silver all you want

But you're just Aluminum

But you're just Aluminum.

Yeah you're just aluminum.

Outro Chords: D^{FC}, A^{CG}, E^{GD} x9, end on the 10th D^{FC} Chord

The Drinking Song – Moxy Früvous

And the band played on

As the helicopters whirled

Drunk on the lawn in a nuclear dawn

My senses finally blurred

Verse 1:

He was a rock, to the end a solid reminder

Couldn't deny a friend

We lived in the noise and the sweet amber poison

Peekin' up the skirt of the end

And we'd drink, two gnarly dudes and some records

Much like plates of black food

We filled up our faces, saw some far places

Stood on the roof in the nude

And the band played on

As the helicopters whirled

Drunk on the lawn in a nuclear dawn

My senses finally blurred

Verse 2:

Between poles, he said "we're like cows in the grass"

Brushing off flies

Chaise lounging around standing up, falling down

'Till we no longer opened our eyes

And we'd drink, ever notice how drinking's like war

Cup 'o' troops o'er the gums

To the end of our health a campaign 'gaিসnt myself

Armed with bourbons and scotches and rums

-Chorus-

Verse 3:

Think of bombs, we're poised on the edge of disaster **D7 G C G**
Whether it's right or it's wrong **Am D7**
We opened the window, played some Nintendo **D7 G C G**
Sang a few bars of some pretty old song: **Bm C**

G C G D G
Irene goodnight, Irene goodnight
G G7 C
Goodnight Irene goodnight Irene
G D7 G D7
I'll see you in my dreams

Oh to dream, those impotent bones of extinction **D7 G C G**
Flying graceful and free **Am D7**
None but the best cause the man cannot rest **D7 G C G**
'Till he's finally beaten his me **Bm C D7**

-Chorus-

Verse 4:

D7 G C G
'Till the end, he passed out on the sun deck that morning
Quietly saying goodbye **Am D7**
But I was so hammered I sputtered and stammered **D7 G C G**
Told him he couldn't just die **Bm C**
He was a rock, went straight for his own armageddon **D7 G C G**
Face froze in a grin **Am D7**
Ambulance flyin' in. I never drank again **D7 G C G**
Can't really call that a loss or a win **Bm C D7**

Can't Buy Me Love – The Beatles

Can't buy me lo-ove, lo-ove,
 Can't buy me lo-ove.
 I'll buy you a diamond ring my friend, if it makes you feel alright.
 I'll get you anything my friend, if it makes you feel alright.
 Cause I don't care too much for money, money can't buy me love.
 I'll give you all I've got to give, if you say you love me too.
 I may not have a lot to give but what I got I'll give to you.
 'Cause I don't care too much for money, money can't buy me love.
 Can't buy me love, everybody tells me so.
 Can't buy me love, no, no, no, no.
 Say you don't need no diamond rings and I'll be satisfied.
 Tell me that you want the kind of things that money just can't buy.
 I don't care too much for money, money can't buy me love.
 [solo]
 Can't buy me love, everybody tells me so.
 Can't buy me love, no, no, no, no.
 Say you don't need no diamond rings and I'll be satisfied.
 Tell me that you want the kind of things that money just can't buy.
 I don't care too much for money, money can't buy me love.
 Can't buy me love, love,

 Well I deserve nothing more than I get
 C G F
 'Cos nothing I have___ is truly mine

While my heart is a shield and I won't let it down
While I am so afraid to fail so I won't even try
Well how can I say I'm alive?

But if my life___ is for rent
and I don't learn to buy
Well I deserve nothing more than I get
'Cos nothing I have___ is truly mine

If my life___ is for rent
and I don't learn to buy
Well I deserve nothing more than I get
'Cos nothing I have___ is truly mine

Nothing I have___ is truly mine
Nothing I have___ is truly mine
'Cos nothing I have___ is truly mine

We'll Meet Again – Vera Lynn

F **A7** **D** **D7+5**
 We'll meet again, don't know where, don't know when
G7 **Gm7** **C7** **C7+5**

But I know we'll meet again some sunny day
F **A7** **D** **D7+5**
 Keep smiling through just like you always do
G7 **Gm7** **C7** **F**
 'Till the blue skies drive the dark clouds far away

F7 **F7+5**
 So, will you please say hello to the folks that I know
Bb **Bb6**
 Tell them I won't be long
G7 **Dm7** **G7**
 They'll be happy to know that as you saw me go
Gm7 **C7** **C7+5**
 I was singing this song

F **A7** **D** **D7+5**
 We'll meet again, don't know where, don't know when
G7 **Gm7** **C7** **F** **Bbm6** **F6**
 But I know we'll meet again some sunny day

F **C** **G7**
Oh! Susanna, Oh! don't you cry for me,
C **G7** **C**

And trabbelled down de ribber,
De Lectrie fluid magnified,
And killed five hundred Nigger
De bullgine bust, de horse run off,
I realy thought I'd die;
I shut my eyes to hold my breath,
Susanna, don't you cry.

-Chorus-

I had a dream de odder night
When ebery ting was still;
I thought I saw Susanna,
A coming down de hill.
The buckwheat cake war in her mouth,
The tear was in her eye,
Says I'm coming from de South,
Susanna, don't you cry.

-Chorus-

I scon will be in New Orleans,
And den I'll look all round,
And when I find Susanna,
I' fall upon the ground.
But if I do not find her,
Dis darkie 'I surely die,
And when I'm dead and buried,
Susanna, don't you cry.

-Chorus-

I look down in my red shirt
At my red shirt

I don't hear the sound
Everything slows
All of it falls away
They don't turn around
Everyone knows
It won't be them today
Instead it was me
Go down dramatically
Stretching it out a bit
Still no one notices
When they write me out of it

They said this air would be breathable
I see the naked sky and I taste the dirt
Dark at the edges and closing in
I look down in my red shirt
I look down in my red shirt

Skullcrusher Mountain – Jonathan Coulton

Intro: | C | Csus4 | C | Csus4 |

C Csus4 C Csus4
Welcome to my secret lair on Skullcrusher Mountain

C Csus4
I hope that you've enjoyed your stay so far

C7
I see you met my assistant Scarface

F C
His appearance is quite disturbing

F G7
but I assure you he's harmless enough

F C
He's a sweetheart, calls me Master

F G7 F G7
And he has a way of finding pretty things

F G7
and bringing them to me

C
I'm so into you

Gm
But I'm way too smart for you

F
Even my henchmen think I'm crazy

Fm
I'm not surprised that you agree

C
If you could find some way to be

Gm
A little bit less afraid of me

F
You'd see the voices that control me

Fm
from inside my head

Bb7 C Csus4
Say I shouldn't kill you...yet

C Csus4 C Csus4
I made this half-pony half-monkey monster to please you

C Csus4
But I get the feeling that you don't like it

C7
What's with all the screaming?

F C
You like monkeys, you like ponies

F G7
Maybe you don't like monsters so much

Maybe I used too many monkeys
Isn't it enough to know that I ruined a pony
making a gift for you?

I'm so into you
But I'm way too smart for you
Even my henchmen think I'm crazy
I'm not surprised that you agree
If you could find some way to be
A little bit less afraid of me
You'd see the voices that control me
from inside my head
Say I shouldn't kill you....yet

Picture the two of us alone inside my golden submarine
While up above the waves my doomsday squad
ignites the atmosphere
And all the fools who lead their foolish lives
may find it quite explosive
Well it won't mean half as much to me if I don't have you here

You know it isn't easy living here on Skullcrusher Mountain
So maybe you could cut me just a little slack
Would it kill you to be civil?

I've been patient, I've been gracious
And this mountain is covered with wolves
Hear them howling, my hungry children
Maybe you should stay and have another drink
and think about me and you
